

Ceiling Mounting Kit (CMK)

RFID Solution Accessories

KEY FEATURES:

- Offers flexible mounting options
- Variable drop length is ideal for high ceilings or wall mounting
- Brings reader closer to lane
- Multi-angle positioning

Complete ceiling installation kit with telescoping adjustment. Two models to suite your application: S1902 or S1904. Both have: tilt down, 360° rotation and post-installation leveling with telescoping adjustable drop lengths to provide perfect reader positioning.

This makes a secure installation quick and easy.
